IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, **AMANDA MICHELLE FEENSTRA** hereafter styled the Defendant, heretofore on or about **AUGUST 1, 2010**, did then and there unlawfully while an employee of a PUBLIC SECONDARY school, intentionally and knowingly engage in DEVIATE SEXUAL INTERCOURSE with ALMA WHITE, hereinafter called the Complainant, a student who was enrolled at the school at which the Defendant worked and who was not the Defendant's spouse, by CAUSING THE SEXUAL ORGAN OF THE COMPLAINANT TO CONTACT THE MOUTH OF THE DEFENDANT.

PROBABLE CAUSE:

Affiant, S. Stout, is a certified peace officer, employed by the Humble ISD Police Department. The affiant believes and has reason to believe that the defendant identified by Texas driver's license #09051855 to be 31 year old, Feenstra, Amanda Michelle DOB 05/19/1982 the former dance director at Humble High School, committed the offenses of Improper Relationship between educator and student at 14007 Summer Ash Lane, Houston, in Harris County, Texas and at 1700 Wilson, Humble in Harris County, Texas on or about August 1, 2010.

AFFIANT HAS PROBABLE CAUSE FOR THE SAID BELIEF BY REASON OF THE FOLLOWING FACTS, TO WIT:

Affiant was initially contacted by Sgt. Bobby Brown with the Humble ISD Police Department about a potential inappropriate relationship between a former student and Amanda Michelle Feenstra, Female, DOB 05/19/1982, known hereafter as the Defendant, who is the former dance director at Humble High School. On September 27, 2012, Sgt. Bobby Brown, was contacted by the head principal of Humble High School, Mr. Charles Ned, who I find to be credible and reliable. Mr. Ned stated that Assistant Principal Juan Melendez received a phone call from a former teacher known as Chessie Jenkins. Mr. ned stated that Chessie Jenkins told Mr. Melendez that a former student, Alma White, known hereafter as the complainant, made a disclosure to Mrs. Jenkins that she had a sexual relationship with her dance director at the time, the defendant.

Affiant contacted Mrs. Jenkins and spoke with her about this incident. Mrs. Jenkins, whom Affiant also found to be credible and reliable, stated that the complainant told her that on the very first inappropriate encounter between her and the defendant, the defendant told the complainant while going to the store that she was really attracted to her and would like to get to know her. Affiant asked Mrs. Jenkins why she waited until now to come forward to tell anyone about this. Mrs. Jenkins stated the complainant felt embarrassed and trapped. During this time she didn't want anyone to look at her in a bad way. Mrs. Jenkins stated the complainant lost all her friends. Mrs. Jenkins stated the complainant told Mrs. Jenkins when she graduated from Humble High School she tried to get away from the defendant and thought that graduating was her way out but the defendant was stalking her by coming to her job and always calling her phone so she felt like she needed to talk to someone about this.

I was able to review a video-record interview of the Complainant, who I find to be credible and reliable. The complainant stated that the she knew the Defendant by name and sight as her Humble High School Dance Teacher, Amanda Feenstra, who was very friendly with her and the Complainant was 17 years old at the time the relationship started in August 2010 and continuing through November 2011.

The complainant stated that one night while driving up to her parent's house located 15406 Mesa Dr, Humble, in Harris County, Texas 77396. The complainant stated that the defendant leaned over to the passenger seat and kissed her and the complainant kissed her back.

Complainant stated that it got to a point that sometime in 2010, she began staying at the defendant's residence located at 14007 Summer Ash Lane, Houston, in Harris County, Texas in the guest bedroom.

The complainant stated that the first sexual contact was at the defendant's residence when the defendant's husband was not home the defendant kissed and dry humped the complainant. The second sexual contact was when both of them took off their clothes and the two touched each other and then the defendant used her mouth to give the complainant cunnilingus (touching defendant's mouth to the complainant's vagina). The defendant bought a vibrating artificial erect penis (dildo) and would use the dildo on the complainant by placing it between the complainant's legs and into her vagina and the defendant's vagina on three different occasions. The complainant stated that on multiple occasions the defendant would give her oral sex and would penetrate the complainant's vagina with her fingers. The complainant said the defendant would tell her that she loved her and wanted to be with her forever. The complainant stated that this occurred over the course of approximately a year while she lived with the defendant.

The Complainant further described an incident at Humble High School, which I know to be located 1700 Wilson Road, Humble, in Harris County, Texas. While at Humble High School after the parent booster meeting one evening, the defendant and complainant went to the dance office in room #2000 where the defendant used her finger to penetrate the complainant's vagina and the two had sex together on the floor of the dance room.

The Complainant stated that she turned 17 in January 2010. She stated that she had sex as described above with the defendant in August of 2010 when the Humble High School, dance team, the "Wild Cadets," were in training camp held at John Newcombe's tennis ranch and during the time the complainant lived with the defendant and her husband from the beginning of January 2010 to May 2011. The complainant also stated that during the football season in the months of September, October and November 2010 and 2011 after every football game and during the winter breaks around the end of December and the first weekend of January she also engaged in sexual activity with the defendant. The complainant also stated that there were so many times that the defendant and she had sex she cannot remember every specific date.

AGAINST THE PEACE AND DIGNITY OF THE STATE.
