PHYSICAL EVIDENCE:

Item RPD1 - A digitally recorded interview with ██████████

CHAIN OF EVIDENCE:

I recorded my interview with ██████████ at ██████████. I kept the digital audio in my sheriff's office issued digital recorder until I later burned it onto a compact disc. I kept the compact disc in my custody until I later booked it into the Kern County Sheriff's Office Property Room as evidence.

OFFICERS INVOLVED:

Detective M. ADAMS, CAD ID 200821, assisted me throughout my investigation. Detective ADAMS responded to 1001 Roberts Lane and interviewed VANESSA HOOKER. For complete details, refer to Detective ADAMS' supplemental report.

Detective KIMMEL, CAD ID 201078, assisted me with my investigation. Detective KIMMEL responded to 1001 Roberts Lane at the Beardsley School District Administrative Office and interviewed VANESSA HOOKER. For complete details, refer to Detective KIMMEL's supplemental report.

DETAILS:

On 12/15/2015 at approximately 0930 hours, I responded to the Beardsley School District Administrative Office located at 1001 Roberts Lane to investigate a report of a parent who had discovered inappropriate text messages from a teacher to her ██████████. The parent responded to the Beardsley School District Office where she reported the discovery of the text messages to ██████████ who is the Beardsley Superintendent of Schools.

Upon arrival at the Superintendent's Office I met with ██████████ the Superintendent of the Beardsley School District and ██████████ who identified herself as the parent of ██████████. ██████████ said her son, ██████████ is a former student at Beardsley Junior High School but now attends ██████████ as a freshman. ██████████ said she conducts regular checks of her son's social media accounts and frequently checks her son's activities on the Internet. ██████████ said she checked her son, ██████████ Facebook account on the evening of 12/14/2015 and discovered what she determined to be inappropriate text messages on her son's Facebook Messenger account from a former teacher, who she identified as VANESSA HOOKER. ██████████ said HOOKER was her son's 8th grade Science teacher and is also a coach at Beardsley Junior High for the softball team. ██████████ said she was shocked after reading the messages her son was receiving from HOOKER and said the messages were extremely inappropriate and sexual in nature.

██████████ said she was able to screen capture and print several of the messages dating back to 12/15/2015. ██████████ said the messages are from VANESSA HOOKER's Facebook account to her son, ██████████ Facebook account. ██████████ said the conversational

messages between HOOKER and her son are sent and received from 0800 in the morning until approximately midnight where HOOKER tells her son, "I love you, goodnight." [REDACTED] said she was extremely concerned by some of the content of the messages and provided me with a large stack of printed conversational messages from Facebook Messenger between HOOKER and her son.

As I began reading the Facebook messages I noted that the messages ranged from the innocuous to very sexual in nature. In some of the conversational streams in the messages between HOOKER and [REDACTED] HOOKER describes that her husband is no longer pleasuring her sexually and she needed to find an outlet for sex. On several of the message streams HOOKER states she is at her residence and is drunk and needed someone to pleasure her.

As I continued to read through the provided message streams I noted HOOKER made several references to another male she described as [REDACTED]. "In several of the message streams HOOKER describes [REDACTED] penis size and girth. Through the course of the investigation we later identified [REDACTED] as [REDACTED] with a date of birth of [REDACTED] [REDACTED] is also a former student of VANESSA HOOKER's at Beardsley Junior High.

In the message streams between HOOKER and [REDACTED] there was also mention of another former student of HOOKER's, she identified as [REDACTED]. In the message streams HOOKER described [REDACTED] penis as being large and in the messages she also described the length and girth of [REDACTED] penis. [REDACTED] was later identified by Detectives throughout the course of the investigation.

I requested Detectives from the Kern County Sheriff's Office Sexual Assault Investigative Unit respond to assist me with my investigation. Detective ADAMS and Detective KIMMEL responded to the Beardsley School District Office and assisted me throughout my investigation. I provided the photocopies of the text message streams between [REDACTED] and VANESSA HOOKER to Detective KIMMEL who later took them to assist with the investigation.

After Detectives KIMMEL and ADAMS arrived we all began to speak with [REDACTED] about her son's relationship with HOOKER. [REDACTED] said she was extremely angry at HOOKER whom she has known for some time and stated she was extremely shocked by the content of the text messages. [REDACTED] said she was extremely concerned that there were possibly other victims of HOOKER's who were also former students of hers at Beardsley Junior High. While Detectives ADAMS, KIMMEL and I were speaking with [REDACTED] she logged into her son's Facebook Messenger account so that we could see more detailed messages between her son, [REDACTED] and HOOKER. After [REDACTED] logged into the account we found that HOOKER was actively communicating with [REDACTED] from her classroom while [REDACTED] was in class at [REDACTED]. The conversation stream was innocuous and HOOKER was primarily talking about how bored she was in her classroom while her students worked.

At the direction of Detectives KIMMEL and ADAMS, [REDACTED] sent her son a text message asking him to explain the Facebook messages between VANESSA HOOKER and him. [REDACTED] said she located the text messages on the evening of 12/14/2015 and did not mention that we were actively watching him speak with HOOKER on Facebook Messenger. We continued to monitor the conversation on Facebook Messenger between [REDACTED] and HOOKER in hopes that [REDACTED] would send a message to HOOKER stating his mother had located the messages. [REDACTED] did not tell HOOKER that his mother had located the messages on Facebook Messenger as we monitored.

Detectives ADAMS and KIMMEL drove to [REDACTED] High School to speak with [REDACTED]. Detectives ADAMS and KIMMEL interviewed [REDACTED] at [REDACTED]. For complete details, refer to Detective ADAMS' supplemental report. I remained at Beardsley Junior High in Superintendent [REDACTED] office and HOOKER remained in her classroom teaching until [REDACTED] could serve her with an Administrative Leave document after we conduct our investigation.

After Detectives KIMMEL and ADAMS spoke with [REDACTED] at [REDACTED] they returned to Beardsley Junior High and conducted an interview with VANESSA HOOKER. The interview was recorded by Detectives KIMMEL and ADAMS and I was present during the interview. For complete details on the interview with VANESSA HOOKER, refer to Detective M. ADAMS' supplemental report and the digitally recorded interview.

Incident/Investigation Report

Agency: KCSO

Case Number: SR15-33251

Date: 12/21/2015 10:34:04

After conducting our investigation at Beardsley Junior High I drove to [REDACTED] where I spoke with [REDACTED]. I interviewed [REDACTED] at [REDACTED] in the office of the Kern High School District Police Officer. I recorded my interview with [REDACTED] with my sheriff's office issued digital recorder. I kept the recording in my digital recorder until I later transferred it to a compact disc. I later booked the compact disc into the Kern County Sheriff's Office Property Room as evidence.

I explained to [REDACTED] prior to the interview, why I was there and I asked him to be honest with me about his relationship with his former teacher, VANESSA HOOKER. [REDACTED] said he had been communicating on Facebook Messenger with HOOKER for some time. [REDACTED] said the messages from HOOKER often detailed her relationship with her husband as not being sexually fulfilling. [REDACTED] said many of the messages were from HOOKER while she was at home, often times stating she was drunk and detailing how she wished to have sex with someone.

[REDACTED] said he received a message from HOOKER in early December of 2015 requesting [REDACTED] provide her with a sports jersey so she could attend a Christmas party with her husband. [REDACTED] said on a Wednesday in early December of 2015, possibly the 9th of December, he went to Beardsley Junior High School in the morning hours before school started. [REDACTED] said he intended to take the jersey HOOKER requested to her at the school. [REDACTED] said he had a late start at [REDACTED] so he went to Beardsley Junior High prior to attending school.

[REDACTED] said he responded to Beardsley Junior High School, classroom #8 where he met with HOOKER to give her the jersey. [REDACTED] said prior to taking HOOKER the jersey she sent a series of several messages, "which kinda got kinda sexual." I asked [REDACTED] to detail the messages from HOOKER stated. [REDACTED] said several of the messages described how HOOKER thought he was extremely nice and she made several comments about how nice his body was. [REDACTED] said the messages from HOOKER also said that she had been watching him throughout his time at Beardsley Junior High and she was interested in him.

[REDACTED] said after arriving at Beardsley Junior High to provide HOOKER with the jersey "it got a little weird." [REDACTED] said HOOKER began kissing him in classroom #8 and pulled him to her desk chair where they continued to "make out." [REDACTED] said while he and HOOKER were kissing in her desk chair she placed her hand down his pants and began rubbing his penis. [REDACTED] said they continued to kiss and touch one another and HOOKER removed her dress to her bra and panties and then pulled to the ground. I asked [REDACTED] if HOOKER was completely naked as they laid on the ground. [REDACTED] said he believed she kept on her bra and panties; however, she had removed her dress.

[REDACTED] said as he and HOOKER continued to make up on the ground in her classroom HOOKER pulled his pants down and began masturbating him. [REDACTED] said, "she gave me a hand job." I asked [REDACTED] if he ejaculated during his sexual contact with HOOKER. [REDACTED] replied, "Yes." [REDACTED] said after completing the sex act with HOOKER he got up and cleaned himself, gathered his belongings and left the school through the back door of her classroom. I asked [REDACTED] if HOOKER performed oral sex on him during their contact in classroom #8 at Beardsley Junior High School. [REDACTED] replied, "No." I asked [REDACTED] if he had vaginal intercourse with HOOKER. [REDACTED] again replied, "No." [REDACTED] said during his sexual contact with HOOKER he did rub her breasts underneath her bra and digitally penetrated her vagina with his finger. [REDACTED] was adamant that they did not have vaginal intercourse and again told me that he did not have oral sex with HOOKER during the incident.

I asked [REDACTED] when the Facebook messages from HOOKER began. [REDACTED] estimated he began receiving Facebook Messenger text from HOOKER on or about November 26, 2015. I asked [REDACTED] if he had any of the text message streams from his Facebook Messenger account between he and VANESSA HOOKER. [REDACTED] said he deleted all of the text message streams after he had sexual contact with HOOKER because he knew it was wrong and he did not want to get in trouble. [REDACTED] said, "I knew it was inappropriate so I asked her not to text message me." I asked [REDACTED] if HOOKER had attempted to contact him since their meeting at Beardsley Junior High School and after he asked her not to contact him any further. [REDACTED] said HOOKER tried several times to contact him on Facebook Messenger; however, he ignored the messages and deleted the contacts.

I asked [REDACTED] if HOOKER had ever sent any inappropriate pictures of herself to him utilizing the Facebook Messenger application. [REDACTED] said he did receive a photograph of HOOKER's breasts on one occasion on a Saturday night he believed early in December of 2015. [REDACTED] was unable to provide me with a certain date as to when he received the photograph of HOOKER's breasts.

I asked [REDACTED] if he thought HOOKER was going to attempt to have sex with him in the classroom when he went to deliver the jersey. [REDACTED]

said he thought he was responding to Beardsley Junior High just to deliver the jersey and "it went from a whole different level."

I asked [REDACTED] how long HOOKER had been in communication with him prior to the incident in early December. [REDACTED] said HOOKER merely began texting him through the Facebook Messenger approximately two weeks prior to him having the sexual contact with her in December. I asked [REDACTED] if he had any casual contact with HOOKER or just casual conversations on Facebook Messenger prior. [REDACTED] said he only had HOOKER in his contacts of his phone as a teacher and no messages from HOOKER were received prior to early December when she began messaging him and describing his body.

I asked [REDACTED] why he believed HOOKER began communicating with him and if he had any idea why HOOKER attempted to foster a relationship with him. [REDACTED] said HOOKER told him several times how much she liked him and he knew Mrs. HOOKER being a sports coach at Beardsley Junior High knew other students who could provide her with a jersey. [REDACTED] said, "I wasn't really thinking at that moment, I thought she just needed the jersey."

I asked [REDACTED] if he could describe the dress that Mrs. HOOKER was wearing prior to their sexual contact at Beardsley Junior High School. [REDACTED] said he was uncertain of the color; however, she was wearing a long dress and had a coat on when they initially met.

I asked [REDACTED] if Mrs. HOOKER ever referenced any other students in her text messages to him. [REDACTED] replied, "My friend [REDACTED] he goes to [REDACTED]." I asked [REDACTED] what Mrs. HOOKER said about [REDACTED] in the messages. [REDACTED] replied, "That she's trying to do the same things with him that she did with me." [REDACTED] said HOOKER told him in the messages that she wanted to do the same things with [REDACTED] that she did with him. [REDACTED] said HOOKER told him several times in the messages that she liked [REDACTED] as much as she liked him and she had planned on having sexual relations with [REDACTED] as well.

I asked [REDACTED] if he knew of any other students that Mrs. HOOKER was speaking with through Facebook. [REDACTED] replied, "I think there's a lot of kids here that she contacts because my friend [REDACTED] she was messaging, there's this freshman [REDACTED] [REDACTED] said his friend [REDACTED] is "one of the favorites of hers." I asked [REDACTED] if he had spoken with [REDACTED] about any communication with Mrs. HOOKER. [REDACTED] said [REDACTED] told him Mrs. HOOKER started messaging him and that it was getting a little "weird." [REDACTED] said [REDACTED], later identified as [REDACTED] showed him the messages and he immediately told [REDACTED] to no longer communicate with Mrs. HOOKER. [REDACTED] said he told [REDACTED], "something bad is gonna happen, but he didn't listen to me."

I asked [REDACTED] if [REDACTED] had told him he had sexual relations with HOOKER. [REDACTED] said he was only aware of an incident where a student of [REDACTED] had brought a large lollipop sucker to her at school and she sent photographs of her with the lollipop in her mouth in a provocative manner to [REDACTED]

I asked [REDACTED] again if he had any further contact with Mrs. HOOKER after their contact at Beardsley Junior High. [REDACTED] said he had received messages from HOOKER where she asked why he no longer would talk to her and that she was home and had a couple of beers and was looking for someone to speak with. [REDACTED] said he ignored the messages and deleted all contacts with Mrs. HOOKER.

I asked [REDACTED] if he could provide me with any further information regarding his relationship with Mrs. HOOKER. [REDACTED] was unable to provide me with any further details. I discontinued my interview with [REDACTED]

I explained to [REDACTED] that I was documenting this incident and there was an ongoing investigation. I asked [REDACTED] to keep our conversation and interview confidential until the completion of the investigation. [REDACTED] said he understood and did not want to harm Mrs. HOOKER's reputation.

CHAIN OF EVIDENCE:

I recorded the interview with [REDACTED] and later downloaded the recording to a compact disc, item MA1. I kept item MA1 in my care and custody until I transported and booked it into the property room.

OFFICERS INVOLVED:

Detective K. KIMMEL assisted with the interview and seized [REDACTED]'s cell phone, refer to Detective KIMMEL's supplemental report for details.

DETAILS:

On 12/15/2015, Detective KIMMEL and I were requested to meet with Senior Deputy DUNBIER at Beardsley School to assist with an investigation. Upon arrival and after speaking with Senior Deputy DUNBIER we were told he was currently investigating inappropriate communication between a teacher and former student who was identified as [REDACTED]. Senior Deputy DUNBIER was in the beginning stages of the investigation and believed there was possibly going to be sexual contact between the teacher, identified as VANESSA HOOKER, and some of her students.

After discussing the investigation with Senior Deputy DUNBIER, Detective KIMMEL and I responded to [REDACTED] to speak with [REDACTED]. We met with [REDACTED] in an office at [REDACTED] and informed him that he was not under arrest or in any trouble whatsoever and he was being detained. I recorded the interview with my digital recorder. The following will be a summary of the interview. For exact quotes and further details refer to the recorded interview(MA1).

I asked [REDACTED] if he knew why we were there to speak with him. [REDACTED] told us he believed it was because of inappropriate messages between him and a teacher. [REDACTED] later told us that the inappropriate text messages were involving sex and alcohol. [REDACTED] said his previous teacher, who he identified as VANESSA HOOKER, had been sending him pictures of alcoholic beverages and other messages of a sexual nature.

[REDACTED] explained that last year when he attended Beardsley School, HOOKER was his baseball coach and teacher. When asked about their relationship [REDACTED] told us they were only friends and that there had been no sexual contact between the two of them. We asked [REDACTED]

why his mother would believe that there was possibly a sexual relationship. He told us that his mother had seen text messages and that the previous evening HOOKER had texted him that she "loved him."

During the interview [REDACTED] admitted to us that HOOKER has sent him several photographs of herself, but claimed there was never any nudity involved. When we asked if HOOKER had ever talked about any other students, [REDACTED] told us that HOOKER had told him that she had provided oral sex to two students, identified as [REDACTED] and [REDACTED]. [REDACTED] told us that he knows both of these other individuals, but not very well. [REDACTED] told us HOOKER told him that neither [REDACTED] nor [REDACTED] will message her back anymore.

Throughout the interview [REDACTED] firmly maintained the fact that they had never been intimate in any way and that the inappropriate contact between he and HOOKER was in the form of text messages conducted through messenger on a Facebook account. At this point in the investigation it seems there is no evidence that there has been sexual contact between [REDACTED] and HOOKER.

Detective D. BOWLING assisted in the interview with [REDACTED]

DETAILS:

On 12/16/2015, Detective BOWLING and I met with [REDACTED] at Sheriff's Headquarters. I escorted [REDACTED] into the SAAIU Conference Room and informed him that he was not in any trouble, under arrest or being detained and was in no trouble whatsoever. I asked [REDACTED] to tell me the nature of the relationship between him and VANESSA HOOKER. The following will be a summary of [REDACTED] statement. For exact quotes and details, refer to the audio recorded interview, (MA1).

[REDACTED] told us HOOKER was his teacher during his eighth grade year at Beardsley Junior High School. [REDACTED] hadn't seen HOOKER for approximately one year and recently saw her at a school carnival. After the carnival [REDACTED] started receiving text messages from HOOKER. The messages started off friendly and then gradually became more and more sexual as time progressed.

As time went by these messages got more sexually explicit and went from "I miss you" to "We should hang out". At one point, HOOKER invited [REDACTED] to go to a movie together. [REDACTED] thought maybe HOOKER just wanted to hang out and did not know exactly what her intentions were. [REDACTED] and HOOKER made arrangements for HOOKER to pick him up and they went to the movies together. [REDACTED] id while at the movies, he did get some, "vibes" that she may be interested in him as more than a friend. While at the movies, [REDACTED] said HOOKER would give him looks and touches which led him to believe that she wanted more than just a friendship.

I asked [REDACTED] to tell me about the physical part of their relationship. He told me through text messages they had made arrangements for HOOKER to pick him up at a friend's house. [REDACTED] said HOOKER did arrive at the date and time specified. HOOKER picked him up in her car and they drove to Beardsley Junior High School. [REDACTED] said this occurred during this past Thanksgiving break and the school was closed. HOOKER utilized her keys to open a classroom, and once inside the classroom HOOKER started to kiss him. table. [REDACTED] said while HOOKER was on the table she remained clothed and she was wearing yoga pants and a shirt. [REDACTED] said he slid his hand down HOOKER'S pants and inserted a finger into her vagina. While [REDACTED] manually stimulated HOOKER, she slid her hand down [REDACTED]'s pants and started fondling his penis. When I asked [REDACTED] more about this, he told me that she had "full grasp" on his penis. [REDACTED] told us as things got more and more heated, he believed they were going to have intercourse but HOOKER told them that they had to stop and that they could not continue doing this. [REDACTED] denied any other contact during this encounter. [REDACTED] said he and HOOKER stopped the amorous activity and she drove him back to his friend's house and dropped him off.

Some time later, [REDACTED] said he was receiving texts from HOOKER and she was upset. HOOKER said she and [REDACTED] had done "some things" and now [REDACTED] would not answer her texts. [REDACTED] told HOOKER that maybe [REDACTED] was just "freaked out". HOOKER said "He wasn't freaking out when he pulled my dress up". [REDACTED] said he did not know the extent of the relationship between HOOKER and [REDACTED].

When I asked [REDACTED] about any photographs HOOKER may have sent, he said she has sent a few "selfies" but nothing that he would have considered sexual in nature. I asked [REDACTED] if the text messages were still on his cell phone. He told me they were, and agreed to allow us to retrieve these messages. After obtaining [REDACTED] phone, I briefly went through some of the messages that I located. I noticed the messages contained on his phone supported his account of events and do in fact detail when she had made arrangements to pick him up for the sexual encounter. I then gave the phone to Detective BOWLING to conduct further investigation on it. For details on [REDACTED] cell phone, refer to Detective BOWLING'S supplemental report.

and about oral sex was inappropriate. We asked VANESSA if she thought it was appropriate for her to talk to a [REDACTED] child about her personal problems. VANESSA replied, "Probably not." We asked VANESSA if she ever sent any nude photos of herself to [REDACTED] VANESSA said no. We asked VANESSA if there had been any sexual contact with [REDACTED] VANESSA adamantly denied any sexual contact with [REDACTED]; she only spoke with [REDACTED] via Facebook Instant Messaging.

We told VANESSA that we had spoken with [REDACTED] earlier today and we were having a deputy go out to speak with [REDACTED] We explained to VANESSA that this would be a good time for her to be honest with us.

We asked VANESSA if there was anything she wanted to tell us about [REDACTED] VANESSA said no. We told VANESSA, [REDACTED] had told us that they had oral sex. VANESSA did not respond. We asked VANESSA if this was a full on sexual relationship or just oral sex. VANESSA replied it was not a full on sexual relationship. We asked VANESSA what type of relationship was it. VANESSA said [REDACTED] had just stopped by and that there was a little bit of kissing. We asked VANESSA if things got a little bit heated between her and [REDACTED] and if mistakes were made. VANESSA said yes. We asked VANESSA if it was a heat of passion type incident. VANESSA said no. We asked VANESSA if this was something [REDACTED] had convinced her to do. VANESSA replied, "He just kissed me and it did not go that far."

VANESSA went on to explain that [REDACTED] was coming on to her and that he was the one kissing her. We asked VANESSA where this had occurred at and she said it occurred at Beardsley Junior High School in classroom #8. We asked VANESSA if there was any reason [REDACTED] would lie about her performing oral sex on him. VANESSA said no he would have no reason to lie. We explained to VANESSA that we did not believe that she was being completely honest with us and that we believe there was some type of sexual contact between [REDACTED] and her and this would be a good time to tell the truth.

VANESSA said, "there was some, we did not have sex." We explained to VANESSA that we understood and we were not saying she had intercourse with [REDACTED] but we believed there was more than that she was not telling us. We asked VANESSA if it would be safe to say that [REDACTED] penis touched her mouth for a least a second. VANESSA replied, "Maybe." We asked VANESSA how things got to that point. VANESSA did not respond. We asked VANESSA if [REDACTED] just pushed her head down. VANESSA replied "pretty much." We asked VANESSA if [REDACTED] ejaculated. VANESSA said no. We asked VANESSA how did this incident stop. VANESSA said they both realized what was going on and it just stopped. We asked VANESSA how long the oral sex lasted. VANESSA said less than a minute. We asked VANESSA if there was any other type of sexual contact between her and [REDACTED] during this incident. VANESSA said [REDACTED] rubbed her breasts over the top of her shirt she was wearing.

We asked VANESSA to explain what had occurred between her and [REDACTED] VANESSA explained that over Thanksgiving weekend her and [REDACTED] had masturbated each other inside classroom #8, but there was no oral sex involved. [REDACTED] had stuck his hand down VANESSA's pants and inserted a finger into her vagina and she had stuck her hand down his pants masturbating his penis. VANESSA said neither one of them had finished during this incident.

I then asked VANESSA about some messages which [REDACTED] mother had provided us. I asked her about a message dated 12/12. 10:33 pm which read "He had good girth but length was pathetic. His gf did not lie about that" and asked her who she was referring to. VANESSA said she was talking about [REDACTED] I then read another message dated 12/12. 10:35 pm saying "[REDACTED] on the other hand. Damn. He is long and good girth. He WOULD be worth it." VANESSA confirmed she was talking about [REDACTED] I also asked VANESSA about she was referring to when she stated she was "thirsty". VANESSA said the message meant that she wanted to have sex with her husband. We asked VANESSA, as she was driving home what she was thinking about after these incidents. VANESSA explained she was having a hard time at home and these guys were showing her some interest.

We asked VANESSA if she had any questions for us and she said she did not. I seized VANESSA's cell phone a white Samsung Galaxy 6 item KK2. I provided VANESSA with my business card and my desk number. I explained to VANESSA that she could call me any time if she had any questions regarding this investigation.

PHYSICAL EVIDENCE:

Item MA4 - one TDK CD-R containing audio recorded interview with [REDACTED]

CHAIN OF EVIDENCE:

I audio recorded the interview [REDACTED] and later transferred it to compact disc, item MA4. I kept item MA4 in my care and custody until I booked it as evidence into the property room.

OFFICERS INVOLVED:

Detective K. KIMMEL, CAD ID 201078, assisted in the interview with [REDACTED]

DETAILS:

After briefly reviewing the text messages on [REDACTED] phone on Friday, 12/18/2015, I noticed specific references that lead me to believe that [REDACTED] had orally copulated VANESSA HOOKER. Detective KIMMEL then scheduled an additional interview for [REDACTED] on Monday 12/21/2015.

Today, 12/21/2015, [REDACTED] arrived at Sheriff's Headquarters with his mother. We escorted [REDACTED] into the SAAIU Detective Conference room and asked him specifically about the oral copulation. [REDACTED] told us he did in fact orally copulate HOOKER during their one encounter in the classroom. [REDACTED] told us while HOOKER was laying on the table and rubbing his penis she started to guide his head towards her vaginal area. [REDACTED] pulled HOOKER's panties down to approximately her knees and started licking her vagina. [REDACTED] told us while he was doing this is when HOOKER told him that they had to stop.

The remainder of the interview was consistent with a prior statement [REDACTED] had given us and no further information was obtained.

PHYSICAL EVIDENCE:

Item MA5 - one TDK CD-R containing my audio recorded interview with [REDACTED]

Item MA6 - handwritten notes provided by [REDACTED]

CHAIN OF EVIDENCE:

I audio recorded the interview [REDACTED] and later transferred it to compact disc, item MA5. [REDACTED] provided me with handwritten notes, item MA6. I kept item MA5 and item MA6 in my care and custody until I booked it as evidence into the property room.

OFFICERS INVOLVED:

Detective K. KIMMEL, CAD ID 201078, assisted in the interview with [REDACTED]

DETAILS:

On 12/21/2015, at approximately 0830 hours, [REDACTED] arrived at Sheriff's Headquarters and wished to speak to detectives regarding the VANESSA HOOKER case. [REDACTED] had located messages on her son, [REDACTED] cell phone and believed he was possibly an additional victim. [REDACTED] provided Detective KIMMEL and I with [REDACTED] cell phone. We then spoke with [REDACTED] in private.

[REDACTED] denied that there had been any sexual activity between he and HOOKER, but did state that there were several text messages between the two of them. These text messages started shortly after his graduation from Junior High School and continued until recently.

The text messages that Detective KIMMEL saw were very similar in nature to the text messages of the previous victims. These text messages appeared to have been a "grooming" type activity, but did not appear to rise to a criminal level. [REDACTED] agreed to copy the text messages and provide them to us at a later date. I provided [REDACTED] and [REDACTED] with my contact information and instructed them to call me when the messages were ready to be picked up or if they had any other questions.
