IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, SHANNON KAY HROZEK hereafter styled the Defendant, heretofore on or about OCTOBER 10, 2007, did then and there unlawfully, while an employee of a public secondary school, intentionally and knowingly engage in sexual contact with Anthony Tubbs, hereinafter called the Complainant, a student who was enrolled at the school at which the Defendant worked and who was not the Defendant's spouse, by touching the Complainant's genitals.

Probable Cause:

Affiant Gabe Vasquez, is employed as a criminal investigator with the Harris County District Attorney's Office. Affiant believes and has reason to believe that the defendant, Shannon Kay Hrozek, committed the offense of Improper Relationship with a Student on or about October 10th 2007 in Harris County, Texas.

Affiant had the opportunity to review Officer Randall Richard's offense report. Officer Richards is a peace officer with the Spring ISD Police Department. Officer Richards met with Anthony Tubbs, a 16 year old male student who attends Westfield High School, at the Children's Assessment Center located at 2500 Bolsover St. In Houston Texas. The complainant knows the difference between telling the truth and a lie. The complainant knows the Defendant by name and sight as his 10th grade English teacher at Westfield High School, located at 16713 Ella Blvd. Harris County, Texas.

The complainant stated that the defendant, on or about October 10th 2007, requested him to come to her classroom number 143 (at Westfield High School) between the hours of 2:30 pm and 3:30 pm (which is after school) to make up class work. The complainant stated that after he entered the classroom he observed the defendant sitting at her desk. The complainant stated that he sat in a student desk on the far left side of the classroom. The defendant then gave the complainant the work that he had to make up.

The complainant stated that he started to work on the assignments and the defendant then walked over to a row of desks and sat in a desk near him. The defendant then told the complainant that she liked him and his friend Anthony Kegler, who is a class mate of the complainant and who plays football with the complainant. The complainant stated that the defendant started reading some poems about boys that she had written. At this time the complainant stated that he had completed his assignments and was asked by the defendant to show her his work. The complainant then got up and walked over to the desk the defendant was sitting in.

The complainant stated that the defendant placed her hands on the complainant's belt, unbuckled it, pulled the complainant's pants down and removed the complainant's penis. The defendant then held the complainant's penis in her hands and placed the complainant's penis in her mouth. The complainant stated that while the defendant was performing oral sex on him, someone jiggled the door knob of the classroom. The complainant then pulled away from the defendant and pulled up his pants. The complainant then left the room.
