Probable Cause

Be it known that a criminal investigation conducted by the Santa Rosa County Sheriff's Office has yielded sufficient evidence, listed herein, to substantiate that, between the approximate dates of 02/01/2025 and 07/18/2025, Molly Marie Mersereau willfully committed the following criminal offenses:

- Use of a two-way device during the commission of a felony, per FSS. § 934.215
- Engagement in a romantic relationship with a student by a school authority figure, per FSS. § 800.101.2b

On 07/08/2025, the Gulf Breeze Police Department (GBPD) forwarded a criminal investigation to the Santa Rosa County Sheriff's Office (SRSO) after receiving allegations that Molly Marie Mersereau, a hospitality teacher at Gulf Breeze High School, was engaged in an active sexual relationship with 17-year-old student [REDACTED]. The original complainant alleged that she was personal friends with Molly and that Molly told her directly that she was having sex with one of her students.

Molly and [REDACTED] were previously investigated by their school administration just before the conclusion of the 2024-2025 school year. The investigation was made in response to reports that [REDACTED] was riding in Molly's vehicle during school trips, spending time in her vehicle in the morning before school, and exhibiting other various behaviors deemed unusual or imprudent for a teacher and a juvenile student. During that internal investigation, several individuals, including Molly and [REDACTED], provided written statements that, among other things, admitted that Molly frequently texted [REDACTED] and other students from her personally owned cell phone, which was a violation of school policy, and had given [REDACTED] rides in her personally owned vehicle.

During the SRSO investigation, [REDACTED] parents located numerous hidden notes in [REDACTED] bedroom that appeared to be love notes. These notes were numbered to count down the days until [REDACTED] 18th birthday. These notes appeared to match known samples of Molly's handwriting. Some of these notes were hidden inside a hollowed-out hardback copy of Harry Potter and the Half-Blood Prince. The parents also located a hidden iPad that they did not purchase for [REDACTED]. The background image on this device featured [REDACTED] and a friend lying on the hood of Molly's vehicle. Furthermore, [REDACTED] only recently obtained a driver's license, and her parents observed via the Life360 family locator app that [REDACTED] had been frequently visiting the area of the Reserve Apartments, which is where Molly resides. [REDACTED] lied to her parents that these visits were to a

particular friend's house; however, that friend actually lived 4.4 miles away from that location and stated that [REDACTED] had never once visited her residence.

On 07/14/2025, I interviewed [REDACTED]. Upon being interviewed, [REDACTED] denied having a relationship with Molly and attributed the love notes to an ex-girlfriend from her freshman year. She refused to comment on the iPad and specific notes that were produced during the interview. Multiple inconsistencies were identified during the interview with [REDACTED] who was deemed to be deceptive during the interview. [REDACTED] parents released her devices to SRSO and gave consent to have them forensically analyzed.

On 07/16/2025, I served a search warrant targeting Molly's residence. Numerous items supporting the allegations made against Molly were seized, including love notes similar to those seized from [REDACTED]. A forensic search of an Android device seized from Molly revealed that she communicated with [REDACTED] best friend, 17-year-old [REDACTED] on 07/15/2025 via Discord. The partial text appeared to be the second half of a conversation about successfully smuggling a phone to [REDACTED].

On 07/18/2025, I made contact with [REDACTED] and she disclosed that she had known Molly and [REDACTED] to be in a romantic relationship with one another since some unknown time before February or March 2025. Since that time, she had secretly visited Molly's residence a handful of times with [REDACTED] and recalled that, on at least one occasion, Molly gave [REDACTED] a hickey. [REDACTED] stated that on either 07/14/2024 or 07/15/2025, Molly solicited her assistance in continuing with her illicit romantic relationship with [REDACTED] by smuggling a burner phone that Molly purchased for [REDACTED] since [REDACTED] devices had been seized as evidence. [REDACTED] smuggled the cell phone to [REDACTED] and perjured herself during an earlier interview to cover for Molly and [REDACTED]. Acting on intel provided by [REDACTED], I was able to coordinate with [REDACTED] parents and recover the burner phone, which was found in [REDACTED] possession and matched the make and model of the Android device seized from Molly.

During the course of this criminal investigation, three communication devices were seized from [REDACTED] two were seized from Molly, and one was seized from [REDACTED]. Forensic extractions were conducted on all of these devices and yielded additional evidence of a romantic relationship between Molly and [REDACTED]. This digital evidence included text messages and group notes shared or exchanged by Molly and [REDACTED] which were of an intimate nature, text messages exhibiting grooming speech from Molly directed toward [REDACTED] photographs of Molly and [REDACTED] on outings outside of school, and text messages exchanged between Molly, [REDACTED] and [REDACTED] about evading further encroachments by this criminal investigation.

Based on the totality of the facts, I believe probable cause exists to suggest that [REDACTED] and Molly have been involved in an illicit romantic relationship. I, therefore, request that this warrant be signed for the arrest of Molly Marie Mersereau for the aforementioned charges.
