IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, **HANNAH PARISA SIBOYEH**, hereafter styled the Defendant, heretofore on or about **July 17, 2017**, did then and there unlawfully, while an employee of a public secondary school, intentionally and knowingly engage in sexual contact with T. C., hereinafter called the Complainant, a student who was enrolled at the school at which the Defendant worked and who was not the Defendant's spouse, by causing the Complainant to touch the breast of the Defendant.

PROBABLE CAUSE

Affiant, D. Keele, is a credible and reliable person who is a certified peace officer employed by the Cypress Fairbanks Independent School District Police Department and assigned to the Criminal Investigation Unit. Affiant has reason to believe and does believe that defendant Hannah Parisa Siboyeh committed the offenses of Sexual Assault of a Child and Improper Relationship Between Educator and Student on or about July 17, 2017 in Harris County, Texas. Affiant bases this belief on the following:
Affiant reviewed Cypress Fairbanks Independent School District Police Department report # 18-17904. In the initial report written by Officer Brenda Merling, a certified peace officer employed by the Cypress Fairbanks Independent School District Police, Merling stated that she was contacted on April 5, 2018 at approximately 1440 hours by Assistant Principal Kathryn Robinson, who told Merling that Robinson had been contacted about an improper relationship that was occurring. Robinson stated that a student who wished to remain anonymous, and who hereafter will be referred to as Anonymous, reported that Defendant, who Robinson and Anonymous both know by name and sight as a Paraprofessional at Labay Middle School, was in a sexual relationship with T.C. a 15 year old student in Cypress Fairbanks ISD and former student at Labay Middle School. T.C. will hereafter be referred to as Complainant. Merling indicated in the report that she met with Anonymous, who reported that he/she was at Complainant's house visiting, and observed Defendant and Complainant lying in bed together and that weird noises would be coming from the room. Further, Anonymous reported observing the Complainant and Defendant were posting photos with one another on Snapchat.

On April 6, 2018 Affiant and Detective Hewett began a follow up investigation in regards to this incident. Affiant first interviewed Anonymous who confirmed the information described above. Affiant then interviewed R.R., who affiant believes to be credible and reliable, who advised that she knew about the dating relationship between Defendant and Complainant. R.R. described the relationship as a boyfriend and girlfriend type relationship, and R.R. advised that she knew that they were also having sex with one another.

Affiant spoke to L.C., a credible and reliable person who identified herself as Complainant's sister who stated that the Complainant had told her that he was having a sexual relationship with Defendant. L.C. told affiant that Defendant and Complainant had been boyfriend and girlfriend and that she had seen them together on multiple occasions. Affiant attempted to make contact with Complainant, but he refused to give a statement.

After interviewing Anonymous and R.R., Affiant went to Labay Middle School and interviewed Defendant, who affiant identified via Texas Driver's License. Defendant verified for Affiant that she was a paraprofessional at Labay Middle School. Prior to the start of the interview, which was audio and video recorded, Defendant was informed by affiant that she was not under arrest, and free to leave at any time. Affiant started crying and stated that she lost her virginity to the defendant. She stated that she and the defendant would kiss and hold hands. She stated that the defendant has seen her naked and she has seen him naked from the back. She admitted that he has fondled her breast and that he has touched her, pointing to her vaginal area. She admitted that she loved Complainant with all of her heart. She described the

relationship as one mistake after another and admitted that it was her fault because she was the grownup and was older. She admitted that she lost her virginity to Complainant. She said that she had never used a tampon before him but that when she lost her virginity to him it hurt and she bled for days. Defendant stated that she lost her virginity to Defendant in the middle of summer, in July before school started in 2017. She stated that her period was late and she was scared. Officer asked her the places where she had sexual intercourse with the Defendant and she disclosed that it had happened at Complainant's house, at a park, and at the Palace Inn.

Affiant went to the Palace Inn located at 8920 West Road in Houston, Harris County, Texas and obtained guest history records for Defendant which showed Defendant rented a room at that location on July 17, 2017 and July 20, 2017 for two hours on each date. Affiant observed that these dates were consistent with Defendant's description of when she "lost her virginity to Complainant." Affiant obtained the Complainant's date of birth and determined that he would have been 15 years of age on July 17 and July 20 of 2017. Affiant obtained Defendant's date of birth and determined that in July of 2017 she would have been 24 years old.

Defendant granted affiant consent to search her cellular phone. Affiant completed the search using Oxygen Forensics. As a result of the search, Affiant discovered several explicit images of the Defendant and Complainant along with a video of what affiant believes to be the two having sexual intercourse consistent with what Defendant admitted to affiant.
