IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, MICHELLE LYNN STRICKLAND hereafter styled the Defendant, heretofore on or about MARCH 19, 2014, did then and there unlawfully while an employee of a PUBLIC SECONDARY school, intentionally and knowingly engage in SEXUAL INTERCOURSE with C. E., hereinafter called the Complainant, a student who was enrolled at the school at which the Defendant worked and who was not the Defendant's spouse, by CAUSING THE COMPLAINANT'S MALE SEXUAL ORGAN TO PENETRATE THE DEFENDANT'S FEMALE SEXUAL ORGAN.

Probable Cause

I, E. Whitaker, am a peace officer employed with the Spring Branch Independent School District Police Department. I am assigned to investigations. I have reason to believe and do believe that Michelle Strickland, hereafter Defendant, committed the felony offense of Improper Relationship with a Student on or about March 19, 2014, in Harris County, Texas by having sexual intercourse with C.E., hereafter the complainant, a student. I base my belief on the following:

I was assigned to conduct an investigation of a possible Improper Relationship with a student in late April of 2014. I was advised that there had been an anonymous tip from an email sent to Christopher Juntti, the principal at Stratford High School. The email suggested that there was an improper relationship between Michelle Strickland and a specific student in the band.

I met with Christopher Juntti, hereafter Principal, and found him to be credible and reliable. Principal verified that Michelle Strickland was in fact employed at Stratford High School as an assistant band director. Principal told me that after receiving the anonymous tip, he had both the student, C.E. (along with the student's parent), and Michelle Strickland, come in for questioning. Principal told me that both parties were kept separate during the questioning, and although Michelle Strickland denied any improper relationship, the student admitted to having an ongoing sexual relationship. Principal told me that he also reviewed student's phone which confirmed communication between the student and Michelle Strickland consistent with an ongoing sexual relationship. Principal explained that he then had Michelle Strickland escorted off the school property.

I spoke with the student, C.E., hereafter Complainant, and found him to be credible and reliable. The complainant stated that while he was a student at Stratford High School, he developed a sexual relationship with a teacher, known to him by name and sight as Michelle Strickland. The complainant stated he knew the Defendant because she was employed at Stratford High School as an assistant band director while he was a student in the band. Complainant stated that over time, he and the Defendant developed a sexual relationship. Complainant stated that during the spring semester of 2014, their relationship involved several occasions of sexual contact, including oral sex and kissing. Complainant stated that this activity often occurred at the school property in one of the storage rooms in the band hall at Stratford High School. Complainant stated that

he did also have sexual intercourse with Defendant over spring break at his home on or about March 19, 2014. Complainant provided me with the physical address of his home and I verified that his home is in fact in Harris County, Texas. I also verified that the address of Stratford High School is also in Harris County, Texas. Complainant stated that the spring break incident at his home was the only time when they had sexual intercourse as the other instances in the band hall involved oral sex.

I took custody of Complainant's phone and had it forensically reviewed. As a result, I have found messages contained within the phone that are consistent with a sexual relationship during the Spring 2014 Semester timeframe as the Complainant indicated.
