The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named defendant committed the following violation of law. The Person taken into custody was found to have committed the below acts, resulting from my (described) investigation.

On the 19th of January 2007

On 01/19/2007, I was assigned to investigate a sexual battery reported to have occurred on the campus of [REDACTED] within the jurisdiction of the Palm Beach County School District and in the County of Palm Beach, Florida. At approximately 1:00 PM on 01/19/2007, Substitute Teacher Mr. Willie Jones met with and reported to the [REDACTED] Mr. Marvin Bain, that he had found Substitute Teacher Ms. Heather Burroughs 04/15/1983, and [REDACTED] 05/29/1991, acting in an inappropriate sexual manner in classroom #346. Mr. Jones who was accompanied by [REDACTED], reported to Mr. Bain that at approximately 12:43 PM he had gone to classroom #346 in preparation of teaching his fourth period class, when he found the classroom door in the locked position. Prior to entering the classroom, Mr. Jones explained he heard noises coming from within the classroom that appeared to be somewhat suspicious. Using his authorized classroom key to unlock the door, Mr. Jones entered the classroom and found Substitute Teacher Ms. Heather Burroughs and [REDACTED] alone in the classroom completely naked from the waist down. The bottom portion of [REDACTED] clothing was observed on a chair in the classroom, while Ms. Burroughs clothing was seen within the close proximity to [REDACTED] and on the classroom floor. Upon making his initial observation, Mr. Jones described the behavior of Ms. Burroughs and [REDACTED] as that of appearing panic stricken while frantically putting the bottom portion of their clothing back on. Mr. Jones described Ms. Burroughs as fumbling while stepping on her pink colored panties as she struggled to get her leg into her panties and get her blue jeans back on. [REDACTED] also appeared to be extremely nervous and shaking while attempting to put his short pants back on. Concerned and shocked with what he had just witnessed, Mr. Jones reported that he spontaneously

Probable Cause Continuation

asked both individuals "What the hell is going on?" According to Mr. Jones, Ms. Burroughs verbally responded by stating, "It's not what you think!" Then according to Mr. Jones, [REDACTED] verbally responded by stating, "I didn't do nothing, she just gave me head." Mr. Jones further reported that [REDACTED] also voiced a concern that Mr. Jones was going to report what he had observed to his mother, and that his actions could also result in disciplinary action at the school. After having taken [REDACTED] to Principal Mr. Bains' office and reported what he had witnessed, contact was made with School District Police Officer Ann Govan. While Officer Govan began obtaining preliminary information relevant to this investigation, [REDACTED] voluntarily produced a one-page hand written note from within his front pants pocket that he claimed had been given to him during his second period class signed by Ms. Burroughs. This note requested that [REDACTED] meet with Ms. Burroughs around the time of the 4th class period of the day, which coincides with the incident as had been witnessed by Mr. Jones. This note further suggests that a possible similar type relationship had been ongoing between Ms. Burroughs and [REDACTED] 04/29/1989. Based upon the information obtained in this note, this investigation has reason to believe that the sexual rendezvous discovered by Mr. Jones in classroom #346, was both consensual and prearranged. This hand written note was documented and placed into evidence at the School District Police Department. Ms. Sharonda Eaddy, [REDACTED] was contacted and responded to Pahokee High School. Ms. Eaddy explained as did [REDACTED] that sometime shortly after the School Districts' Christmas Break, Ms Burroughs had given [REDACTED] what appeared to be a fairly expensive bracelet as a gift. Ms. Eaddy and [REDACTED] advised that the bracelet was at their residence, and that the bracelet would be voluntarily turned over to this Detective as further evidence in this case. After having been provided with the aforementioned information, Officer Govan met with and released Ms. Burroughs in a concern for her safety and pending further investigation by this agency. There are no video taped recordings in the classroom to serve as evidence in this case.

On 01/19/2007, this Detective met with and obtained an audiotape recorded sworn statements from both Mr. Jones and [REDACTED]. Their sworn statements were consistent with one another and further corroborated what had been previously reported. [REDACTED] does admits to having gone into classroom #346 after Ms. Burroughs had told him that she "wanted to suck his dick." [REDACTED] further explained that near the end of his second period class, Ms. Burroughs had given him the note he had voluntarily given to Officer Govan. [REDACTED] explained that Ms. Burroughs works as an assistant in the classroom where he had received the note. [REDACTED] admitted that he and Ms. Burroughs had engaged in a sexual activity in the classroom where Ms. Burroughs had performed oral sex on him. When asked how many times the two had engaged in sexual relations, [REDACTED] states only one time. It was [REDACTED] explanation that after he had entered the classroom and sat in a chair near the classroom windows, Ms. Burroughs approached him, took off his shorts, and then placed her mouth around his penis. Simultaneously, [REDACTED] states Ms. Burroughs unzipped and removed her jeans and panties placing them on the classroom floor. [REDACTED] states that Ms. Burroughs continuously attempted to get [REDACTED] to insert his penis into her vagina,
