**IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:**

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, **CHASITY L. HOUSTON**, hereafter styled the Defendant, heretofore on or about **September 4, 2024**, did then and there unlawfully, while an employee of a public secondary school, intentionally and knowingly engage in deviate sexual intercourse with J.H., hereinafter called the Complainant, a student who was enrolled at the school at which the Defendant worked and who was not the Defendant's spouse, by contacting the Complainant's sexual organ with the Defendant's mouth.

**Probable Cause**

I, Detective G. Lopez, affiant, a certified peace officer employed by the Aldine ISD Police Department, do solemnly swear that I have reason to believe and do believe that Chasity Houston, hereafter styled the Defendant, a Black female, date of birth July 31, 1999, did on or about September 4, 2024, in Harris County, Texas, commit the felony offense of Penal Code 21.12, Improper Relationship Between Educator and Student.

My belief is based on the following facts:

On Friday, January 24, 2025, I, Detective G. Lopez, hereafter Affiant, was assigned a follow-up investigation for Aldine ISD incident #250066. Affiant reviewed the supplement of Aldine ISD Police Officer Detective D. Campos, a certified peace officer with the Aldine ISD Police Department and whom Affiant knows to be credible and reliable. Affiant learned that on January 23, 2025, Detective Lopez was dispatched to the Nimitz's Senior Campus, located at 2005 W.W. Thorne Blvd., Houston, Harris County, Texas. Detective Lopez met with Principal Walter Stewart and Assistant Principal Lidia Calderon who reported they had learned of an inappropriate relationship between a student J.H., who was 18 years old at the time of the report, and a substitute teacher, Chasity Houston, hereafter styled the Defendant. Principal Stewart told Detective Campos that J.H. disclosed he met the Defendant outside of school when he was 17 years old. J.H. told Principal Stewart that they drove to Lewis Middle School, a location Affiant knows to be in Harris County, Texas, and parked. J.H. told Principal Stewart that when they arrived, he kissed her breast, laid back on the seat and the Defendant performed oral sex on him. J.H. told Principal Stewart after that, she drove him home, and he showered.

On Friday, January 24, 2025, Affiant spoke to the reportee, Assistant Principal Lidia Calderon (AP Calderon), who all Affiant found to be credible and reliable. AP Calderon explained Ms. Dennis, a science teacher, reported a potential inappropriate intimate relationship between a student and a staff member of Aldine ISD. Ms. Dennis explained to AP Calderon that Complainant J.H. reported to her that Ms. Houston, the Defendant, was suggesting that he was having an inappropriate relationship with Ms. Dennis. Ms. Dennis stated she also observed another student by the name of J.B. speaking on the phone with the Defendant on the same day. Ms. Dennis decided to contact the front office and speak to AP Calderon regarding her observations. As a result of her conversation with Ms. Dennis, on January 23, 2025, AP Calderon called Complainant J.H. to the office to discuss the incident. Complainant J.H. met with AP Calderon and Principal Stewart, and J.H. disclosed that the Defendant performed oral sex on him.

On January 30, 2025, Affiant interviewed Complainant J.H.. Complainant J.H. reported he had the Defendant as a substitute teacher for a class last year, and from then on, he looked for her when she substituted at Nimitz Senior High School. During the 2023-2024 school year, he asked the Defendant for her cell phone number, and the Defendant gave it to him. After J.H. and the Defendant exchanged phone numbers, they started texting and calling each other regularly. J.H. explained that their communication became sexual, and one day they met. J.H. stated the Defendant drove to his neighborhood and picked him up, drove him to Lewis Middle School in Aldine I.S.D., and

parked in the corner sac where they talked. During the conversation, J.H. asked her to perform oral sex on him; J.H. stated she agreed. J.H. stated he pulled his jogging pants down and began kissing the Defendant's breasts. The Defendant then performed oral sex on J.H. until he ejaculated on her and his hand. J.H. stated after the sexual encounter, the Defendant dropped him off. He slowed down communication with the Defendant and shared the incident with his best friend J.J. who is also a student at Nimitz Senior High School.

On Friday, January 31, 2025, at approximately 1215 hours, Affiant met and interviewed the Defendant at 1404 N. Sam Houston Parkway East, Suite 150, in Houston, Harris County, Texas. The Defendant presented TX DL #41046960 to Affiant for identification. Affiant updated the Defendant on the progress of the investigation and asked to get her side of the story. Affiant advised the Defendant of the allegations that were made against her, and she stated she does speak with multiple male students but claims it's not an inappropriate way. On scene, Affiant mirandized the Defendant and advised her of her rights. After reading her rights, the Defendant Agreed to voluntarily speak with Affiant.

Affiant informed the Defendant of the allegations. The Defendant denied the allegations. Affiant asked The Defendant to complete a voluntary written statement; the Defendant agreed to do so, and signed it at the end. While the Defendant was completing the statement, she was asked if she picked up students and took them anywhere. She stated she has provided transportation to multiple male students to get some to eat and has allowed them to use her vehicle while she was not in it. Affiant asked the Defendant about the claims of J.H. stating about the sexual encounter in the back-parking lot of Lewis Middle School. The Defendant stated it is not true, and I do not know why he would make these allegations. She stated she has always had a close relationship with the J.H. and has no intention to do anything inappropriate. Affiant read to the Defendant the copies of the text messages provided by Complainant J.H.. The Defendant stated she was questioning Complainant J.H. about Ms. Dennis, who is another teacher at Nimitz High School.

The Defendant stated she was checking on Complainant J.H. and making sure rumors did not start with Ms. Dennis. She advised the same rumors were going around last year about her having relationships with students. Affiant asked the Defendant if she could send all messages, including social media, and she agreed to it and advised she would send it. The Defendant advised she has never had any inappropriate relationship with any students while at school or Off-campus.

On Friday, February 7, 2025, Detective G. Lopez contacted A. Smuskiewicz, who is the human resource investigator in reference to this case, and a person Affiant knows to be credible and reliable. Witness Smuskiewicz explained on Tuesday, February 4, 2025, the Defendant went to the Aldine I.S.D. Sonny Donaldson Administration Building. The Defendant spoke with Witness Smuskiewicz about the recent accusations against her. She advised, she has formed multiple friendships with male students at Nimitz High School. The Defendant stated that during this time, she has allowed multiple students to use her vehicle without her being present and has driven them around to buy food and refreshments before games at the high school. Witness Smuskiewicz with his administrative privileges asked her if she was involved in any sexual conversations with the student, and she denied all claims of engaging in sexual conversations. Witness Smuskiewicz asked her if she was involved in a sexual relationship with a student by the name of J.H.; she stated she was. The Defendant stated, during the 2023/2024 school year, she picked up J.H. on the street corner by his house and drove him to the parking lot of Lewis Middle School. When they arrived at Lewis Middle School, she parked her car by the running track. The Defendant stated she and J.H. noticed there were several people on the track, so they drove to a section of the parking lot that was more remote. Upon parking her vehicle, J.H. requested that the Defendant give him oral sex, and she denied him. The Defendant and J.H. began to kiss, and J.H. put his hand down her pants and touched her vagina. J.H. exposed The Defendant's breasts and began to suck them. A few moments later, J.H. requested a second time that the Defendant give him oral sex. The Defendant stated she agreed to give J.H. oral sex and performed the act. The Defendant stated she did not want to give J.H. oral sex and only conducted the act for a few moments. The Defendant denied having sexual contact with any other students. After the investigation follow-up with Witness Smuskiewicz, Affiant requested Witness Smuskiewicz to send the administrative documents for this investigation. Affiant reviewed the documents and observed the Defendant's written statement confessing to performing the oral sex act with J.H..

Affiant spoke with Aldine ISD human resources, and learned that the Defendant was first employed with the school district as a secretary in 2016. The Defendant later became a substitute teacher as of August 14, 2023, and was actively employed until she was dismissed by the school district. When Complainant J.H. provided screenshots of his text message conversation with the Defendant, the screenshots included a contact name of "Chasity" and photo of the Defendant. Complainant J.H. represented to Affiant that the photo that appeared in the Defendant's contact information is the person he knows as Chasity Houston and the person who performed oral sex on him. Affiant viewed the contact photo and compared to the Defendant's TX DL#41046960 photo, and determined it to be the same person. Harris County District Attorney's was contacted; Detective G. Lopez spoke with ADA A. Sheridan, who was provided with the facts and findings of this case and agreed to accept charges for improper relationship between educator and student.
